(c) Nurses shall be permitted to combine meal and/or rest break(s) where operationally possible.

(d) Operational requirements may require that Nurses remain on the nursing unit or within the facility for their designated meal and rest break(s).

(e) Where operational requirements prevent a Nurse from having an uninterrupted meal or rest break(s) and it is not possible to reschedule the missed break(s) or a portion of the break(s) during the remainder of the shift, the Nurse shall be compensated for the portion of the missed meal period or rest period, at a rate of one and one-half times (1.5x) the Nurse's hourly rate for the period of the rest and meal break(s) missed.

- 7.12** Overtime shall automatically be paid within two (2) pay periods of its occurrence. A Nurse will automatically be paid for overtime hours unless the Nurse indicates prior to the last day on which the pay card is submitted that the Nurse wishes to take time off in lieu of overtime.
- 7.13** **Changed Schedules/Changed Shifts**
The Employer shall make every reasonable effort not to change schedules once posted. The Employer shall advise any Nurse of an intended change in the Nurse's schedule as soon as it is known by the Employer.
- (a) A minimum of twenty-four (24) hours notice in advance of a scheduled shift shall be given to the Nurse when the shift to be worked is changed. A change of shift occurs when both the scheduled start time and end time for a scheduled shift is changed or the calendar date of the shift is changed.
 - (b) Except where the change is by mutual agreement between the Nurse and the Employer, if the schedule is changed by the Employer without the minimum twenty-four (24) hours notice prior to the start of the original

7.16 Guaranteed Work

Nurses who report for work as scheduled by the Employer will be guaranteed work for that shift.

7.17 The provisions of Article 7.08 and 7.15 shall not apply to a Part-Time Nurse who applies for and is assigned to work shifts in addition to those for which the Nurse was posted except when the Nurse is required to work in excess of seven and one-half (7 1/2) hours per day or seventy-five (75) hours per bi-weekly pay period.

7.18 If the starting and stopping times for the regular shifts are to change, the Nurse or Nurses involved and the Union shall be given at least four (4) week's notice unless mutually agreed otherwise between the Union and the Employer. In such situations as much notice as possible shall be given. The Employer agrees to discuss the reason for such changes with the Union.

7.19 Semi-Annual Time Change

The changing of daylight saving time to standard time, or vice versa, shall not result in Nurses being paid more or less than their normal scheduled daily hours. The hour difference shall be split between the Nurses completing their shift and those commencing their shift.
