If the Nurse accepts the recall, the Nurse must be available to return to the Employer within two (2) weeks of the notice of recall unless another time period is mutually agreeable between the Nurse and the Employer.
- (c) If the Nurse rejects the opportunity for recall the Nurse shall continue on the layoff list if the recall was for a position with fewer hours or a lower rate of pay. In these circumstances, three refusals of recall will result in the Nurse being removed from the recall list and forfeiture of the right of recall.
- (d) If the Nurse rejects the opportunity for recall and the position was equivalent to their former position, the Nurse will be removed from the recall list and will forfeit the right of recall.
