Where the Employer wishes to introduce a standard uniform for Nurses, the Employer shall meet with the Union to establish an MOA. **The Acute Care Article 8.18 – Nurse Identity shall form the basis of the MOA.**

MEMORANDUM OF AGREEMENT #6

DENTAL PLAN

The parties agree that dental benefits will be made available to all eligible permanent Nurses in the bargaining unit in accordance with the following:

1. The Employer will make every effort to make Dental benefits available to eligible permanent Nurses in the bargaining unit effective January 1, 2014. However, the Dental benefits will be made available not later than March 31, 2014.
2. Subject to the eligibility requirements of the plan selected by the Employer, participation in the plan will be mandatory for all Nurses, except where satisfactory proof of coverage under a spousal plan is provided. The Employer will receive input through the UMCC committee before making a final decision on plan selection. The intent of this provision is to ensure that the selection of dental plan by any given employer involves one comparable in benefits offered to the HANS Dental Plan and comparable in cost.
3. Upon commencement, premium costs for the plan will be shared on the basis of 50% Employer and 50% Nurse.

LETTER OF UNDERSTANDING #2

76 Hour Biweekly Rotations

It is understood that the schedule for Nurses at Victoria Haven Nursing Home who are considered to be Full-Time Nurses requires that these Nurses work and be compensated for seventy-six (76) hours biweekly rather than eighty (80) hours as indicated in Article 7.00.

It is further understood that neither the Employer nor the Union has any desire to alter the scheduling arrangement presently in place for the said Full-Time Nurses.

Therefore it is agreed that the benefits of the Collective Agreement under Article 10.00 (vacation credits), Article 10.10 (holiday credits), and under Article 20.02 (sick leave credits) will be earned on the basis of regular hours paid, including the straight time hourly equivalent of overtime hours to the yearly maximum as defined under each benefit.

It is further agreed that, when operational requirements necessitate, the Employer may schedule a Full-Time Nurse to work an additional 4 hours at straight time rates of pay only when that Full-Time Nurse would normally be working an eight (8) hour shift and with notice of twenty-four (24) hours or more. The overtime provisions of Article 7.15 will continue to apply if the eight (8) hour shift is extended to twelve (12) hours without the twenty-four (24) notice period.

IN WITNESS THEREOF the Parties hereto have executed this Agreement on the
day of _____, 2013.
